## 1. Bursary and Scholarship Overview

1.1 Place2Be Bursary and Scholarship scheme (also referred to as 'Bursary', 'Bursary Scheme' or 'Scholarship', 'Scholarship Scheme') is provided by Place2Be as part of the organisation's mission to increase diversity and inclusion within the counselling workforce.

1.2 The Bursary and Scholarship Scheme includes the following Place2Be courses:

### **Bursary**

Level 2 Award, Level 3, Level 6 Certificate

### **Scholarship**

Level 4 Diploma, and the Postgraduate Diploma. Each course has a different Bursary offer and conditions.

1.3 Submission of an application and acceptance of any Bursary or Scholarship is considered acknowledgement and acceptance of these Terms and Conditions, including the relevant course Terms and Conditions.

1.4 The Bursary and Scholarship Scheme is a non-transferable contribution to course costs, allocated to Applicants by panel decision. It applies to the courses stated in Clause 1.2 within the relevant course cohort timeframe and cannot be used on later courses, unless in exceptional circumstances and agreed by Place2Be in advance.

1.5 The purpose of the Bursary and Scholarship Scheme is to cover the course tuition fee costs, either in full or partially, and in some cases to also subsidise living and training-associated costs for successful Bursary and Scholarship Applicants as a means of financial support to enable wider access to the course.

1.6 An administrative fee will be requested from all successful Bursary and Scholarship recipients to cover administrative and course registration fees. The payment of this fee will also confirm acceptance of the Bursary and Scholarship, and place on the relevant course. The amount of the administrative fee depends on which course the bursary is for:

£100 for a Level 2 Award Bursary;

£150 for a Level 3 Certificate Bursary;

£181.25 for a Level 6 Certificate Bursary;

£200 for either a Level 4 Diploma or Postgraduate Diploma scholarship.

1.7 These Terms and Conditions do not cover any other form of discount or financial support made under government loan or grant frameworks for courses at Place2Be.

### **Bursary Administration Partnership**

1.7.1 Place2Be works in partnership with Bursary Administration Limited (BAL), an independent third-party organisation that specialises in the assessment and administration of means-tested bursary applications.

1.7.2 BAL's responsibilities include:

- Receiving and processing bursary applications
- Assessing applicants' financial circumstances through review of supporting documentation
- Conducting interviews with applicants either through home visits or internet calls
- Providing Place2Be with assessment reports and financial spreadsheets to assist with bursary allocation decisions

- Maintaining appropriate data security measures in compliance with Data Protection Legislation

1.7.3 When you apply for a bursary, your application and supporting financial documentation will be shared securely with BAL for assessment purposes. This data sharing is necessary for the legitimate interests of administering the bursary program effectively and fairly.

1.7.4 BAL acts as a Data Processor on behalf of Place2Be (the Data Controller) and is bound by a formal contract that ensures all personal data is handled in accordance with the Data Protection Act 2018 and related regulations. BAL's privacy practices include appropriate technical and organisational security measures to protect your information.

1.7.5 By applying for funding, students acknowledge that Place2Be will share the necessary personal data with BAL for the purpose of assessing, administering, and managing their funding application. This processing is carried out under Article 6(1)(b) GDPR (performance of a contract) or, where appropriate, Article 6(1)(f) GDPR (legitimate interests). This data sharing is required for the delivery and administration of the funding and is not dependent on consent.

1.8 These Bursary and Scholarship Terms and Conditions operate in conjunction with Place2Be's Counselling Qualifications Terms and Conditions. In cases where provisions overlap, the more specific provision or the one more favourable to the student will typically apply. Recipients are bound by both sets of terms.
